'An Evening in God's Presence'

Monthly Meetings for 2011

An evening in God's Presence is an inter-denominational monthly meeting specifically designed to take you away from the hustle and bustle of everyday life and present you before the very presence of God. It is only in His presence we experience the glory, fulfilment and spiritual awakening that we so much desire. In His presence we are renewed and rejuvenated to face the challenges that confronts us daily.

It is in God's presence that our weaknesses are exchanged for His strength. Where else will you want to be apart from His presence? For in His presence we are concealed away from ever-present evil. As you come throughout the year for this programme, His ever abiding presence will secure you and all that is yours in 2011 and beyond.
